

## RAJIV GANDHI INDIAN INSTITUTE OF MANAGEMENT SHILLONG – A **SNAPSHOT**

- ❖ Our objective is to train our young students to be society friendly rather than career friendly and playing a proactive role for socio-economic upliftment of our people and by subjecting them to rigorous programmes of social work, to make them understand the grass root issues, problems and concerns.
- ❖ The First to have core foundation course on Sustainable Development where poverty, waste management, depletion of resources, green house gases emission etc, the challenges managers will face are discussed and dealt with.
- ❖ A Center for Development of North East Region has been setup to provide Academic, Research, Consultancy for stakeholders in the region.
- ❖ A tech savvy campus, which even the most advanced Universities in Europe and the US would be proud of.
- ❖ The IIM Shillong Golf Cup an innovative way to connect with other Business schools and corporate houses through Sports.
- ❖ First to start Post-Doctoral Fellowship Programme to address the shortage of Management teachers.
- ❖ Already six overseas faculties have taught at IIMS.
- ❖ We take pride in our students bringing laurels by winning the coveted Ashwamedha of IIM Indore – in two consecutive years, Kalpavriksha of IIM Indore and Master Plan '09 of IIM Ahmedabad.
